The new website for the Town of Humboldt has been up and running for several months now. Please take the time to check it out and let us know how you like it or what you would like changed. **townofhumboldt.com**

You can check out our calendar for upcoming meetings and dates available for rental. There is also a spot to contact the Town through the website.

MEETING NOTICES

General information regarding posting of meeting notices:

1. Per state statute: we only have to “post” meeting notices in 3 places. We post in four: the Town Hall, the Recycle center, J&S Auto and Liebecks Bar.
2. We also are not required by state statute to post meeting notices on the website but the Town does do that now with the new website.
3. Monthly town meeting notices need to be posted a minimum of 24 hours, we try to get them hung up the Friday before the Monday meeting, sometimes it is Saturday am.
4. Special town meetings, like planning commission, zoning board, annual and budget meetings need to be posted 14-20 days prior to the meetings.
5. Our monthly meetings are always the first Monday of the month, unless there is a holiday and then we would change the meeting to a day shortly before or after that date.

If you have any questions about this info please contact one of the board members.

RECYCLING UPDATES AND INFO:

We have new signage at the recycle center, so please review and heed these notices. Also regarding tire recycling, we recycle residential and farming tires only. No business’ are allowed to bring their tires to the facility. We also ask that you refrain from bringing in large quantities of tires that might be from “family members”. This service is for Town residents only and the cost of recycling tires to the Town continues to increase.
